

SNOWY SETTING — In keeping with both the recent weather locally and the Feb. 3 Padre Club's Winter Festival dinner dance at the Mary Star of the Sea Auditorium are (left to right) Mrs. Lee Botich, Robert Rados, Mrs. Robert Rados and Mrs. Paul Sturdivant. Seen here making final adjustments on his skis is Paul Sturdivant, co-chairman for the semi-formal social event, at which 500 harbor-peninsula friends of Fermin Lasuen High School will attend.

Winter-Festival Dinner Dance Promises Lavish Decorations, Buffet Dinner and Entertainment

The warmth of Padre Club hospitality will belie the snowy setting when members welcome 500 harbor peninsula friends of Fermin Lasuen High School to their Winter Festival dinner-dance at Mary Star of the Sea Auditorium on Saturday evening, Feb. 3.

John Perini, club president, has named Paul Sturdivant, Rolling Hills, and Robert Rados, San Pedro, co-chairmen of the semi-formal social event. Padre Club executive board members will greet guests at a 6:30 assembly hour. A lavish buffet dinner will be served at 7:30 and will be followed by dancing from 8:30 until 12:30 to the music of the Rhythm-Aires.

Among Las Damas de Lasuen members assisting the Padre Club with arrangements is Mrs. William Rockefeller who has devised a winter wonderland background for the mid-season party. Tumbleweeds flocked in sparkling white will form the stylized snowballs which will hang mobile fashion from the ceiling and be used in massed effects about the hall. The 30-ft. long buffet table will be enhanced with a mountain resort scene in which miniature skiers in bright garb flash down the snowy slopes. For the tables which will surround the dance floor Mrs. Rockefeller will use white cloths and centerpieces of snow dusted green pine.

Serving on the decorations committee with Mrs. Rockefeller are Mmes. Jer-

ome Harris, Nicholas Randazzo, and William Clyne.

BUFFET DINNER

The buffet dinner will be served under the direction of Mrs. Joseph Miller of Lomita who has selected beef stroganoff as the entree accompanied by fluffy rice, a variety of salads including tossed green with special dressing, Italian green bean, and shimmering molded gel-

atin; hot finger rolls, coffee and a sweet. Mrs. Henry J. Smith, Las Damas president, will supervise serving with the help of senior girls from Mary Star of the Sea High School.

O'Gara Named Semi-Finalist

One of six high school seniors named as semi-finalists in the Armco Steel Corp. 1962 Community Scholarship Plan is Michael Roger O'Gara, 5019 Lee St., Torrance.

O'Gara attends Bishop Montgomery High School and was chosen from 65 area seniors who in October took the preliminary scholastic aptitude test. The test is administered for the college entrance examination board by the educational testing service of Princeton, N.J.

This is the third year in which Armco has offered a scholarship in the Torrance-Los Nietos area. The plan was extended here when National Supply became a part of Armco Steel Corporation.

The Torrance-Los Nietos scholarship is one of 20, each valued at \$650 a year for four years, offered in 14 communities where there are Armco plants. A 21st award, known as the George M. Verity Memorial Scholarship, is given to the highest ranking son or daughter of an employee from the entire national group of semi-finalists. The Verity Scholarship is \$1000 for the first year.
